

Conferences

Scientific sessions of the PRBB centres sponsored by the Centre of Genomic Regulation (CRG) and the Barcelona Biomedical Research Park

Martin Weigt

Laboratory of Computational and Quantitative Biology,
Institut de Biologie, Sorbonne Université, CNRS.
Paris, France

Protein sequence landscapes:
From genomic data
via statistical inference
to structure prediction
and *de novo* design

Invited by
Cedric
Notredame,
CRG

Friday,
June 29, 2018
12:00-13:00

Marie Curie Room - PRBB
Doctor Aiguader, 88, 08003 Barcelona
Tel. 93 316 00 00 - www.prbb.org

PRBB Centres:
IMIM Hospital del Mar Research Institute; CEXS-UPF Department of Experimental and Health Sciences of the Pompeu Fabra University; CRG Centre for Genomic Regulation; ISGlobal Institute of Global Health; IBE (CSIC-UPF) Institute of Evolutionary Biology; EMBL Barcelona
