

CRG Proteomics Symposium

Applying proteomics to life sciences: from ions to biology

Centre
for Genomic
Regulation

13th November 2015

09:00h to 14:00h

PRBB Auditorium, Barcelona

Online registration at:

http://www.crg.eu/en/proteomics_symposium_2015

Organizer

Eduard Sabidó

Speakers

Theodore ALEXANDROV

European Molecular Biology Laboratory (EMBL), Heidelberg DE

Sergi ARANDA

Epigenetic Events in Cancer Group, Centre for Genomic Regulation, Barcelona ES

Eva BORRÀS

Proteomics Unit, Pompeu Fabra University, Barcelona ES

Jofre FONT

Chromatin and Gene Expression Group, Centre for Genomic Regulation, Barcelona ES

Anne-Claude GINGRAS

Lunenfeld-Tanenbaum Research Institute, Mount Sinai Hospital, Toronto CA

Arnau SEBÉ

Department of Computer Science and Applied Mathematics,
Weizmann Institute, Rehovot IL

Jesper OLSEN

Novo Nordisk Foundation Center for Protein Research Proteomics Program,
University of Copenhagen DK
