PRESENTS

CITIZEN SCIENCE FOR BEGINNERS

Apply now!

**Do you need a big amount of data for your research project or idea,
but you don't have resources to get it?**

**Or do you have tons of data to be analysed but it would take you
ages to get the work done?**

**Do you want to widen your research and make it more impactful by
engaging a variety of key stakeholders?**

**Do you want your project to gain visibility amongst citizens
and to make it more accessible for them?**

Instructor: Gitte Kragh & Kristian H. Nielsen

Date: 8th May 2023

Hour: 10:00-12:00

Location: Charles Darwin (PRBB square)

Level: Beginners
