

Conferences

Scientific sessions of the PRBB centres sponsored by the Centre of Genomic Regulation (CRG) and the Barcelona Biomedical Research Park

Maya Schuldiner

Functional Genomics of Organelles Lab,
Department of Molecular Genetics, Weizmann
Institute of Sciences. Rehovot, Israel

Systematic approaches
to study the many ways
to target proteins
to the secretory pathway

Invited by
Phd
Students,
CRG

Friday,
October 19, 2018
12:00-13:00

Marie Curie Room - PRBB
Doctor Aiguader, 88, 08003 Barcelona
Tel. 93 316 00 00 - www.prbb.org

PRBB Centres:
IMIM Hospital del Mar Research Institute; CEXS-UPF Department of Experimental and Health Sciences of the Pompeu Fabra University; CRG Centre for Genomic Regulation; ISGlobal Institute of Global Health; IBE (CSIC-UPF) Institute of Evolutionary Biology; EMBL Barcelona
