

Conferences

Scientific sessions of the PRBB centres sponsored by the Centre of Genomic Regulation (CRG) and the Barcelona Biomedical Research Park

Michael Kiebler

Department for Cell Biology and Anatomy,
Biomedical Center, Ludwig-Maximilians
Universität. Planegg-Martinsried, Germany

The role
of RNA-binding proteins
in learning and memory
from the perspective
of a cell biologist

Invited by
Fátima Gebauer /
Sebastian Maurer,
CRG

Friday,
February 28, 2020
12:00-13:00

Marie Curie Room - PRBB
Doctor Aiguader, 88, 08003 Barcelona
Tel. 93 316 00 00 - www.prbb.org

PRBB Centres:
IMIM Hospital del Mar Research Institute; CEXS-UPF Department of Experimental and Health Sciences of the Pompeu Fabra University; CRG Centre for Genomic Regulation; ISGlobal Institute of Global Health; IBE (CSIC-UPF) Institute of Evolutionary Biology; EMBL Barcelona
