

UNDERSTANDING CAREER OPPORTUNITIES THAT BEST EXPLOIT YOUR SKILLSET

Delivered by: Roni Wright

Apply by 6th of October 2022

Presenter: Roni Wright

Date: 19th of June 2022

Time: 14:30-17:30

Location: Marie Curie room (PRBB patio)

Description:

Even though there are a wide range of diverse, challenging and rewarding job and career opportunities after a PhD/Postdoc, many researchers feel lost, undervalued and unsure of the path to take.

This course addresses these concerns and combined with personalized assessment and reflection ensures that participants are not only fully aware of the options available to them but also choose the career that fits them personally as well as professionally.
