

PRESENTS

# TIPS FOR JOB HUNTING BEYOND ACADEMIA

**Apply now!**

This 3-session course is designed to help scientists transition from academia to industry by learning how to identify suitable job opportunities, tailor a CV for specific roles, improve professional visibility—especially on LinkedIn and prepare for job interviews. Through short presentations, practical exercises, and interactive activities, participants will learn how to showcase their skills in a way that resonates with industry recruiters.

**Instructors:** Elena Moreno, Damjana Kastelic & Surprise company speakers

**Dates:** 26<sup>th</sup>, 27<sup>th</sup> & 28<sup>th</sup> May 2026 (Last day may change)

**Hour:** 10:00-13:30h

**Location:** CRG Training Center

**Maximum n° students:** 18
